Dear Mr. Hilty:

This letter is to advise you that you have completed the requirements for qualification of your product, CO-100

Accordingly, this product:

Brand Name:	CO-100
Qualification Number:	L-6586
Specification:	MIL-PRF-3150E

has been tested and approved for inclusion in the Qualified Products List (QPL) for MIL-PRF-3150E and assigned the QPL number: L-6586. The date of the qualification is for a period not to exceed 15 June 2026.

There shall be no change in formulation or manufacturing procedure unless the material is re-examined for compliance with the requirements of the specification by the qualifying agency. The manufacturer is cautioned not to change type or grade of ingredients because of possible change in the performance characteristics. The finished product supplied to the government shall conform to the tolerances listed on the attached sheet.

This notice of qualification and listing in the QPL does not guarantee acceptance of the product in any future purchase nor constitute a waiver of the requirements by the Defense Standardization policies, procedures, and instructions.

If you have any questions related to this information, please contact Luke Gonzalez at (586) 282-5886 or luke.j.gonzalez2.civ@mail.mil.

Sincerely,

Douglas C. Hedberg
